

J. BEILYNN GEISS

beigeiss@icloud.com | [LinkedIn](#) | 970.342.9969

Loveland, CO

EDUCATION

Skidmore College

Saratoga Springs, NY

Bachelor of Arts in Physics

May 2026

- **Major:** Physics **GPA:** 3.9/4.0
- **Honors:** Phi Beta Kappa member, Physics, German and Mathematics honor societies member
- **Coursework:** Electricity and magnetism, differential equations, quantum mechanics, robotics, thermodynamics chemistry, quantum chemistry, honors English, intermediate German

EXPERIENCE

Department of Chemistry | Colorado State University

Fort Collins, CO

Undergraduate Research Fellow

May 2025 – Aug 2025

- Prepared tungsten disulfide nanotube samples following established lab protocols for transmission electron microscope (TEM)
- Operated TEM and collected high resolution imaging and diffraction data
- Analyzed nanotube images using DigitalMicrograph to extract quantitative structural parameters
- Gave 30-minute presentation and created and presented a poster

Computational Biophysics Lab | Skidmore College

Saratoga Spring, NY

Lab Member

Sept 2023 – May 2026

- Performed computational modeling and data analysis to identify trends in molecular interactions
- Constructed a 34-page thesis titled “Modeling Protein-Protein Interactions of Intrinsically Disordered Proteins using Molecular Dynamics and Ordinary Differential Equations”
- Mentored other lab members as a senior mentor
- Presented poster at the 2026 Biophysical Society Annual Meeting

Analytical Research Corp | Colorado State University

Fort Collins, CO

Undergraduate Research Assistant

June 2024 – Aug 2024

- Analyzed single crystal electron diffraction patterns using PETS2 and Bruker software
- Created detailed 10-page SOP for PETS2 software
- Improved reproducibility and onboarding efficiency

Varsity Sports

Saratoga Springs, NY

Tennis and Crew Athlete

Aug 2022 – May 2026

- Competed in singles and doubles on varsity tennis for 3 years
- Rowed on the varsity crew team for 1 season

Residential Life | Skidmore College

Saratoga Springs, NY

Resident Assistant and mentor

Aug 2023 – May 2026

- Built community as a resident assistant (RA) for two years by planning events for residents
- Mentored and supported Ras as a community assistant (CA)

First Year Experience | Skidmore College

Saratoga Springs, NY

Peer Mentor

Aug 2025 – May 2026

- Mentored a group of 16 first-year students by giving weekly presentations and acting as a teacher assistant for a seminar course

SKILLS

Technical: Molecular Dynamics simulations, data analysis, robotics experience, SOP development, TEM, electron diffraction, sample preparation, spectroscopy, 3D Printing

Programming & Data: Python, C++, MATLAB (basic), Mathematica (basic), Excel

Languages: English, German (intermediate), Spanish (biliteracy certification)
